

DECLARATION OF COMPLIANCE

This declaration applies to Machine film & stretch wrap

Subject: 1. Compliance with EU Directive - Packaging and Packaging Waste - PPWR (EU/2025/40)

2. Nonexistence of per- and Polyfluoroalkyl Substances (PFAS), Perfluorooctanesulfonic acid (PFOS) and perfluorooctanoic acid (PFOA)

- This is to confirm that PFAS, PFOS and PFOA are not used in the manufacturing of raw materials used for production of **Machine Film/Stretch Wrap** as per the regulatory compliance declaration by the supplier of raw materials.
- Furthermore, we confirm that PFAS, PFOS and PFOA substances are not used in the production process for any of the products that we supply

3. Heavy Metals (Pb, Cd, Hg, Cr VI)

- The sum of the concentrations of lead, cadmium, mercury and hexavalent chromium in all packaging materials supplied does not exceed 100mg/kg

4. Recyclability

- The packaging is designed to support recyclability and responsible waste management practices

As the PPWR continues to be implemented and further guidance is issued, we will provide updated compliance statements covering the relevant Articles and products as additional requirements become applicable and supporting information becomes available.

In view of the above we confirm that the packaging we supply meets the requirements of packaging and packaging regulation EU Packaging and Packaging Waste Regulation PPWR - EU/2025/40.
